

The cover features a complex Art Deco border made of multiple parallel lines in a stepped, geometric pattern. At the top center, there is a graphic element consisting of a circle flanked by horizontal lines and small triangles, all within a larger geometric frame.

# Senior Thespian Goodbyes

*I honestly love the drama department so much. You guys are my second family and I love each and every one of you. This has been an amazing year, even though it didn't end too well. I will 100% come visit in the future. I'm sorry this year didn't turn out the best, but we made the best of it, and learned a lot. I love y'all and stay safe. Periodt.*

*-Cambria Vos*

*Planning to attend Cal State Fullerton!*

*Seniors- Our last bit of high school was robbed from us, proving (again) the class of 2020 is the strongest class. This year was definitely memorable, even though it ended bad. I enjoyed every second of being in drama, working with all the classes. Next year will be better. Thank you Mr. Blackley for working with the seniors for 6 years and making drama the best class at El Toro. (I can 10000% guarantee the seniors will come back next year) Love you all!!*

*-Chelsea Vos*

*Planning to attend Loyola Marymount University!*

*I just want to say how much this program has given me throughout the years. When I joined my freshman year I thought it would be fun to be in a class with the friends I knew previously from middle school. But I never would have imagined the tons of new friends I would make in the class. Some of these friendships I know will last for a lifetime. This program has given me an outlet. Somewhere I can be me, and I'm incredibly grateful. To all my friends still staying, I wish you the best, you are all going to be amazing. I wish I could just stay in that drama room and make more memories with all the people in it, but I know that everyone needs to go at some point. I love everyone in drama class and I will miss you all!*

*-Jaylee Velasquez*

*Planning to attend Santa Ana College!*

*I can't believe that my four years in the drama department are coming to a close. I joined drama because my Dad forced me to go to auditions, but it was so worth it. Shoutout to my Oscar Buds who keep me updated in the theatre world. To my seniors, thank you, you're all amazing. To Mik, thank you for being the bestest Co-P I could ask for! To Mr. Blackley (Mr. Fountain), (queue "Bye Bye Blackley" to the tune of "Bye Bye Birdie") thank you for giving me new experiences and challenges in a wonderful theatre environment. To this department, thank you for giving me sweet memories and some of my best friends. To all my drama frands, I love you all, step out of your comfort zone, cherish every moment.*

*-Lindsey Lau*

*Planning to attend Cal Poly San Luis Obispo!*

# Senior Thespian Goodbyes

*Thanks for making Drama so fun! All of ya'll in this program are amazing people with so much potential and I can't wait to see where you guys go in life :) I'm gonna miss you guys and I hope I can come visit every so often. Remember: Be a Fountain, not a drain!*

*-Maddie Kennedy*

*Planning to attend Cal State Fullerton!*

*Wait, how am I writing a senior goodbye already? I'm a senior? Um, well if there's one thing that this department has taught me, it's that you can't achieve anything without the help of others. I am so grateful to have met the people I have through drama, and I wish them the best in the coming years. To my fellow seniors, this is it. Thank you for the past four years. You are something special and your futures are as bright as you are. Hey Lindsey? Forever my Co-P, okay? Finally, to Blackley. Thank you so much for the experience I've had in your class. Because of drama, I found the passion I never thought I had. I'm sorry I walked in late to drama two auditions in eighth grade. But hey! I stuck around for three more years. See ya later ET. MD out!*

*-Mikaelah Davis*

*Planning to attend Cal State Fullerton!*

*Thank you to the whole drama class for making these four years so much fun and thank you mr. Blackley for always being there for us.*

*-Olivia Hull*

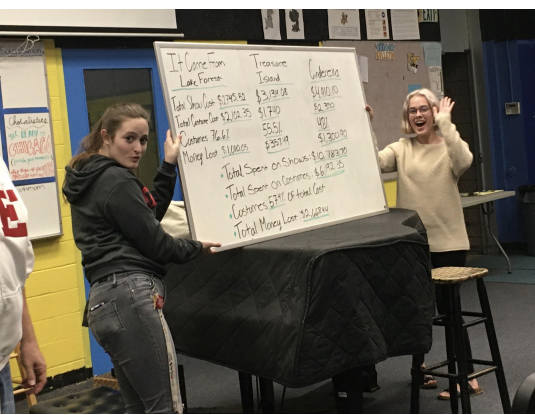

*Planning to attend Santiago Canyon College!*

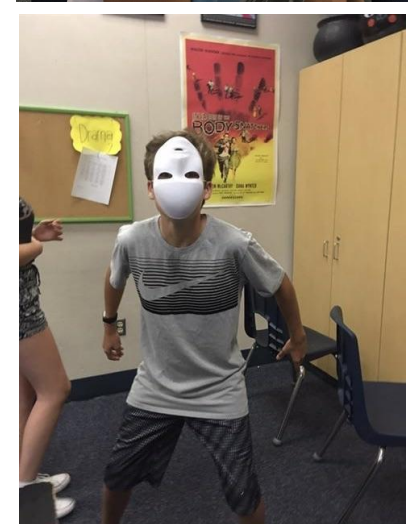

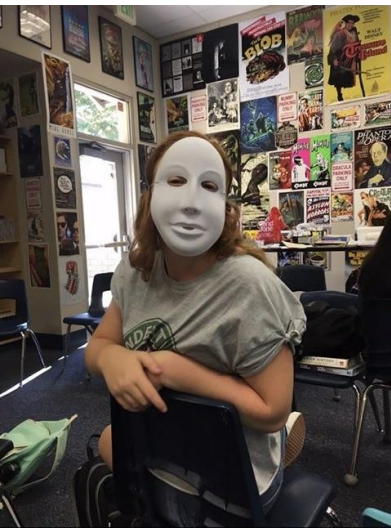

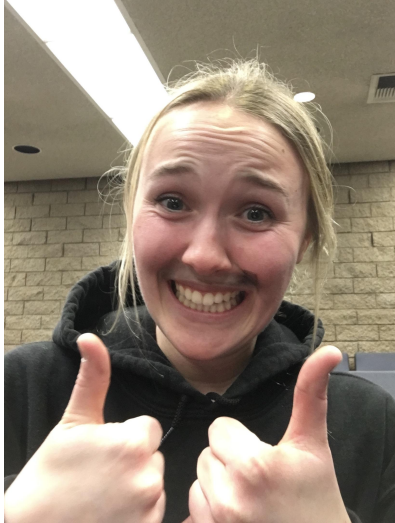

*This class has been one of the things that made high school a great memory for me. Sure, it wasn't always easy, and some days were pretty stressful, but I'll never forget the times I had. Thank you for a great 4 years to all that have come and gone.*

*-Paige LaRue*

*Planning to attend college!*
