A few Thespian polo shirts haven't been purchased yet. Shirts are counted today. Buy your shirt if you haven't yet. Those that didn't turn in the addresses for the Silent Auction get a strike!

Seconded by: Lizzy Moening

6. President Report:

14 thespians gave addresses for the Silent Auction out of 29! This is not acceptable! We need them in order to get a good turnout for the Silent Auction! We should have sent out the letters this week. Get your stuff in. This is our most important fundraiser of the year.

Report Motioned by: Nick Contreras

Seconded by: Collin Houston

7. Sponsor Report:

Silent Auction pays for the Fall Show. If we do bad at the silent auction, we get a low-budget show. We want to do Night of Terror again next year. We must do well. I will know next week the date of the Grease auditions! They will be when we get back from the break. Tuesday: girls. Wednesday: guys. Thursday: callbacks. A week later we will have the non-singing roles. 33 kids. BE PREPARED!! I will interview people before the break for stage manager and assistant directors. I am looking for a costumer too-it will be a BIG job. There are huge costume changes and there are a lot of places to help. You have to decide with yourself what you want to do. If you're going to be in a sport, do not try out. Rehearsals will be 4 days a week. We must have a GREAT show.
