3.Treasury Report:

This year we will be attending the Musical Theatre Competitions of America at Fullerton College, and will be performing *The Brain From Planet X*, as our ensemble piece. The cost will be \$400-\$500, we will not be staying at a hotel this year. If you have any financial issues, please tell one of the officers about it. Nobody will be prevented from performing due to money problems. Collin Andrew's mom will be heading the fundraising for MTCofA, and will expect full cooperation and participation while you are working with her.

4. Publicity Report:

We need to make a decision on show shirts, and whether or not we want to have a shirt for each show, or just a season shirt and a show shirt for Grease. The prices for the season shirt will be around \$20-\$25, and will include the name of all of the shows we are performing and also things like Comedy Sportz.

Vote:

Season Shirt/Grease: 20

Individual Show Shirts: 8

The "Night of Terror" ad sheets are due by October second. If you do not turn in ads, you will not get a program. When you're not busy and you're at home, sell ads.

4. Vice President Report:

The officers have decided to change the thespian shirt design. We are going to have polo shirts as our meeting attire. However, the old bowling shirts will work too. Mr. Stoll needs to know how many shirts he needs to make, so we will be discussing this further next meeting. If you guys want, you could buy the bowling shirts from the old thespian members.

Report Motioned by: Alyssa Renalds **Seconded by:** Lizzy Moening

6. President Report:

Hey guys. Welcome to thespians! I need to point out to everyone that our booster club is what keeps drama alive, really. It is so important for more parents to be participating in it, please make sure to tell your parents about it. We had very few parents come last night to the meeting, and we need more if we want to keep this program as good as it is. We don't want to cut things because of the lack of parents. The rummage sale October 6th. We need volunteers for the night before to price items, and we need a crew to help man the sale in the morning, also. Signups will be going up soon. We also need more items donated. Please deposit things that are in good shape, and not something like dirty laundry. Thank you.

Report Motioned by: Andrew Guzman **Seconded by:** Nicole Horowitz

7. Sponsors Report:

There is a new seating program that will be set up for the shows this year. As soon as the box office opens, you can go on our website and reserve your seats for a show immediately. Just go online, buy your tickets with a credit card, pick the seats, and print the receipt to show to the box office the day of the shows. If you want to pay cash or check, feel free to buy your tickets the night of the show. This program will eliminate many difficulties we've had in the past with tickets.
